Notes

- Excludes investment market value movement (\$57,439.54).
- Income generated from the investments, managed by Knightsbridge Wealth Management, are used by AGSA for the purpose of making art acquisitions as per the provisions of the James & Diana Ramsay Estate. Each year, 37.5% of the income generated from the investment portfolio is transferred for the purpose of making art acquisitions (previously 75% prior to 2023). Each year, 25% of the income generated from the investment portfolio is reinvested back into the portfolio to support its continual growth.
- In 2024-25, a new account was established for the purpose of art acquisitions by AGSA.
- Of the amount held in the Director's Acquisitions Fund, 50% is quarantined for a Major Acquisition (\$871,148.96).
- Notional income allocation (excluding interest on cash - Commonwealth Bank of Australia, sundry receipts) for 2024-25 is:

- reinvested into capital (25%)	\$	640,484.61
- quarantined for Director's Acquisition Fund (37.5%)	\$	960,726.92
- quarantined for Major Acquisition (37.5%)	\$	960,726.92
