

HOW TO SEARCH THE AGSA GUIDE SCHEDULE (PDF)

Guideline only. The images below are for a PC. Will appear different on ipads or Apple devices but search process is similar.

1. Open the schedule in ADOBE Reader (or similar program)

2. Open the FIND toolbar

Option One

Go to EDIT and then select FIND from the drop down menu

Option Two

On your keyboard click CTRL + F (Command + F on Mac)

3. Enter your LAST name into the Find field box that appears and click 'Next'.

The PDF file will be searched and your name will be highlighted. Keep clicking 'next' to review the rest of the document.
