37

Use a viewfinder to isolate a section of a work of art.

Draw it in detail.

How do you think the artist made the marks you have selected?

39

If an artist conceives an idea, but employs a specialist to create a work of art, whose work is it?

What is more important, idea or product?

48

Make a list of as many words you can think of that are associated with art.

Play a 'round robin' game with each person sharing a different word.

46

Pair two works of art together.

Why did you make this selection?

9

Imagine you have stepped inside a work of art of your choosing. Draw an outfit you would wear when visiting this place.

27

Based on your observations and before looking at the wall label, invent a title for a work of art.

47

Slow down the pace at which you look at a work of art.

Imagine a work of art was a door to a new world and imagine stepping inside the image.

What would the place look like?

What would the atmosphere feel like?

4

If this work of art could make a sound, what sound might you hear?

10

Assign a soundtrack to a work of art.

What type of music would you select and why?

14

How are science and art related?

Find a work of art that has been inspired by another learning area.

35

Artists are keen storytellers. Find a work of art that tells a story.

How has the artist told their story?

What is their message?

Write or draw your thoughts and ideas.

21

Using Aboriginal or Torres Strait Islander works of art, design a tour that highlights different regions of Australia or moments in Australia's history.

2

Draw the scene 'before' this work of art – now draw the scene 'after.'

What information in the work of art led you to your before and after drawings?

18

Imagine your Principal has asked you to select a work of art to be purchased for the school.

Identify a work of art in the Gallery and write a short paragraph explaining why you think it is a good choice.

Where would it be displayed?
